GENISYS™ G-10

SOUND

GENISYS™ Organs with APEX™ TECHNOLOGY sing with a clarity and transparency of the finest pipe organs, but also include the flexibility beyond the confines of traditional sound.

- **APEX Tone Generation System** including new and updated samples taking advantage of massive memory
 - **Standard Stop Lists:**
 - Classic Allen
 - English
 - French
 - Baroque
 - Wurlitzer Theatre
 - **Acoustic Portrait™** - Exclusive real sampled acoustics offering tonal realism not found with digital reverberation
- APEX TECHNOLOGY**
GENISYS Organs with APEX Technology are a generational advancement in tone generation and technology.
- **GENISYS Display** - Advanced touchscreen controls including All Pistons Next and Playlist Player
 - **GENISYS Remote** - Smartphone Sequencing and Playback Application - Includes hundreds of prerecorded hymns, preludes, and postludes
 - **Unique Voicing Capabilities** including the industry's largest sample library
 - **128 levels of capture memory**
 - **Advanced in-field upgradability**

SUSTAINABILITY

Vertically integrated manufacturing provides unmatched customization options and product support. Allen produces circuit boards, consoles, stop controls, and assemblies in-house. This, along with a commitment to provide replacement parts for legacy organs, results in instruments that last longer and are less expensive to own in the long term.

BUILD QUALITY

Allen's consoles are built to the highest level of fine furniture techniques utilizing real hard woods, wood glue, and dowels for longevity and strength.

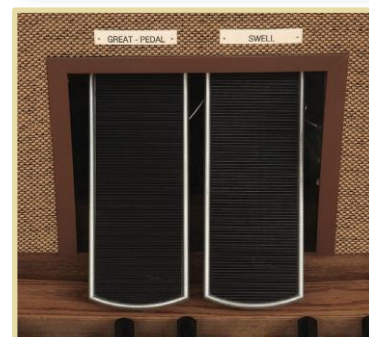

Console Dimensions:

Width 51-1/2" (130.8cm);
Height 44-1/2" (113 cm);
Depth 29-1/2" (74.9 cm) without pedalboard,
43" (109.2 cm) with pedalboard

Warranty:

10 year limited warranty included.
See warranty for details.

Specifications and configurations subject to change without notice or obligation.
